

MISSION HILLS CHURCH

ON MISSION

HELP TRANSFORM OUR
COMMUNITY ... ONE LIFE AT A TIME.

LIVE ON MISSION is about transforming lives by mobilizing the people of God to serve our community.

When we serve in our neighborhoods and cities, we not only share the transforming power of the good news, but we also become more like Jesus.

Join us Saturday, September 21 as we serve our city—one life at a time.

BECAUSE EVERY LIFE
MATTERS TO GOD.

SERVING OUR
COMMUNITY

MISSION HILLS CHURCH LIVE ON MISSION

ACTION
PROJECTS

As Christians, we believe a lot of things. We believe in a God who cares for the world. A God who seeks to save the lost. A God who relentlessly pursues people and always makes the first move toward them.

This kind of God changes the world, so we want to show the world this example. We want to show Littleton who our God is through our actions. We want to live out what's written in James 2:18 and declare, "I will show you my faith through my deeds."

There are people in our community who are hurting, who may never step foot into our church. But, God cares for deeply them. So, we're making the first move and going to them.

On **Saturday, September 21** we're hosting **Live on Mission** service projects all over our city. This year, our **Live on Mission** projects will be more focused on building relationships while serving our community. Spaces are limited, so sign up today at missionhills.org/live-on-mission

Join us as we roll up our sleeves and put our faith into action and move from simply attending church to **BEING** the church.
