The 12 Emotional, Social, and Spiritual Milestones Your Child Needs to Reach
with David Thomas + Sissy Goff

From birth to adulthood, our children's physical and intellectual development is carefully tracked and charted. But what about their hearts? You will discover practical ways to guide your kids through any stumbling blocks they might encounter, and help them reach the appropriate landmarks.

Along the way, David and Sissy pinpoint the different ways boys and girls develop, so you can help your child flourish in his or her own way. Join us for a time to be equipped in truth, encouraged in love... and to laugh at least a little along the way.
