Serve Team Spotlight: Sue Goldberg

Let me introduce you to Sue Goldberg, one of our awesome serve team members who regularly helps at the Welcome Center. Beyond that, she is involved in several other groups including the Mission Hills Christian Singles.

Last weekend, her group volunteered to put together meals to help the Feed My Starving Children organization. The work they did made a direct impact on hundreds of families in the Ukraine who have been displaced by the war with Russia. Sue said, "I love that I can give two hours of my time and it will make a tangible impact for these families. This will mean so much to so many people."

This is what it looks like to live on mission in the church and as the Church. "For the last two weeks, it's been like Pastor Craig has been speaking directly to me during this Unleashed series, especially about getting out of my comfort zone and dealing with my fears. I am currently facing a possible move and job change which would be very disruptive to my life here in Colorado. I am learning to wait on the Lord and to not live in fear, making every day count."

Sue is “watching and waiting” for the Lord’s leading. Sue is a wonderful example of becoming more like Jesus and joining him on Mission!

Encouragement for the week – Continue to ask God to direct your mission in the church and as the Church - watching, waiting, listening then acting!

Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight. Proverb 3:5-6
