

Tenorio's Ministry Update

Serving with CRU from Costa Rica

¡Hola! Greetings from rainy Costa Rica! It is our prayer that you and your loved ones are well. Here is a brief ministry update.

From Cru Costa Rica to Colombia, College students missions project

A group of students involved in Cru Costa Rica (from 6 different universities) just left for a missions project in Colombia. They raised the funds needed and will be sharing their faith in a University campus for 10 days. They already shared in 3 classrooms yesterday! Please pray God will use them greatly, and that their faith and desire to continue telling others about Jesus will be

increased through this missions project.

More workers for the Harvest

The Lord has blessed our ministry with more workers for His harvest, we now have a multicultural team (staff from Costa Rica, Colombia, Ecuador, El Salvador, the US and Korea), all working with the same goal: to make disciples of Jesus. Please pray for Carlos as he gives direction to this team and to the ministry of Cru Costa Rica. Pray also for open doors in a new Campus for a missionary project that comes in July.

Bible teaching

We continue sharing and teaching the Bible, God's Word is the basis of our ministry and life. Please pray for our retreat with leaders later this month.

Helping build capacity for ministries in LAC

Tatiana continues serving the Cru ministries in Latin America and the Caribbean, helping them build the needed operational capacity that supports the ministries' growth. Last month Operations leaders from all 5 continents met in Costa Rica to plan and collaborate towards this goal.

Health update

Thank you joining us in prayer for Tatiana's health, we have felt the Lord's peace and guidance as we continue searching for solutions. We are very grateful for the Lord's faithfulness and for your prayers and care. The rest of the family is very healthy, praise the Lord! Please pray also for Tatiana's sister's health and spiritual growth.

How can we pray for you?

In His love,

Carlos & Tatiana
