

Serving Emergency Responders & Their Families

Serving Those Who Serve Us

Ministry Impact

Thank you for your prayers, support, and encouragement as we continue to serve our emergency responder community. It seems like almost everyday, we receive a call for support from our agencies, our firefighters, officers, and family members. We are honored and privileged to be trusted and invited into these times. On the day upon my return from my time serving as the Chaplain at the FBI Academy in Quantico, I received two calls for support, one for a firefighter who died on duty and the second from an officer struggling in his personal life. Below are a couple of photos of the wonderful service West Douglas County Fire Protection District held to honor their fallen firefighter.

This was just a week before the National Police Week to honor and remember the **officers who gave their life** in the service and protection of our community.

On Friday May 20th, I had the privilege of helping emcee the FBI memorial at the Denver office. Please take a look at the [Wall of Honor](#). We also honored a beloved member of the FBI family, Chris Alban, who died of medical complications at just 26 years old. Our Special Agent in Charge renamed our Operations Center after him.

30 chaplains from 18 agencies. Thank you to our [Crossroads Church](#) partnership who provided a grant to allow us to hold this training for our rural agencies free of charge!

We also ask for your prayers as new agencies join RMPFC. Please pray that these agencies launch their chaplain program well and the needed chaplains step up to serve.
