

ELEMENTARY (K-5TH GRADE)

Our desire is to engage kids in age-appropriate environments that challenge them to become more like Jesus and join him on mission. Each weekend elementary kids will experience both a high energy large group time and an intentional small group time. During large group, kids will worship, learn, have fun and celebrate together. During small group time, kids will dig deeper into the Bible story and the weekly bottom line with intentional conversations and activities facilitated by consistent small group leaders.

We use and adapt the Orange curriculum to equip kids to be lifelong followers of Jesus. Each weekend the curriculum is created to:

- Move kids to LOVE GOD by inciting WONDER
- Move kids to LOVE LIFE by provoking DISCOVERY
- Move kids to LOVE OTHERS by fueling PASSION

We want elementary kids to transition into middle school knowing how to make wiser decisions based on Biblical truths, build stronger relationships, and develop a deeper faith that points them to Jesus.
