

Tenorios' 2022 Ministry Report

As it is our tradition, before the year ends, we make a brief recount of what the Lord did through the ministry He has entrusted us.

Our ministry partners (who faithfully pray and support the work that the Lord has called us to do) help make all this possible. THANK YOU! From the bottom of our hearts!

Please join us in praising the Lord for what He did in 2022:

- ⇒ **+30 new believers and +100 touched by the Gospel**, in a project to share the Gospel in 2 new campuses; college students, professors and administrative staff participated in the talks and Gospel presentations. More than 30 welcomed Jesus in their lives as their Savior!
- ⇒ **Official gatherings to promote dialogue between faith & science** at the main university of Costa Rica, UCR. Carlos keeps coordinating these, to allow many professors, staff and students to realize that it is possible to believe in God and be a scientist (& vice versa) and talk about it on Campus!
- ⇒ **Counseling**. Carlos's gifting and professional training have allowed him to help pastors, missionaries, marriages, and individuals; more than 60 times this year!
- ⇒ **The School for Parents project** is ready and tested! The project seeks to give parents tools to raise their kids with God's truth and grace in a community that meets during 7 guided sessions.
- ⇒ Tatiana has been helping **equip staff and ministries of Cru** in near 30 countries to build the operational capacity they need to accomplish the mission God has given them.
- ⇒ We received a visit of representatives "Faculty Commons" (a Cru ministry) to explore new opportunities to partner together **reaching professors for Christ at the Costa Rican universities**.
- ⇒ **Bible teaching**. We continue sharing and teaching the Bible on regular basis, God's Word is the basis of our ministry and life. **Spiritual conversations** happen wherever and whenever God allows (with college professors and students, professionals, our kids' school's staff and parents, etc).

Prayer Requests: Would you please join us in prayer for:

- Parents', kids' and teachers' lives to be changed by Jesus through the "school for parents" project. For more workers for this project and for open doors to bring it to more parents in the schools of Costa Rica.
- The UCR to continue allowing us to have the gatherings to dialogue about faith and science.
- For the Lord's provision in the support raising efforts of the 3 new Campus staff joining our CR ministry.
- The spiritual growth and multiplication of all the people we are serving with our ministry.
- The Lord's provision and protection. For His wisdom and guidance and for much fruit in 2023.

Special year-end giving

If you are able, would you prayerfully consider giving a special contribution to our ministry before this year ends? Your contribution would go towards these special needs (*All gifts are income-tax deductible. Giving and contact information are at the end of this letter*):

- our kid's school expenses, the school year in Costa Rica starts in February 2023
- the classes Carlos is taking in Family Counseling (to better prepare for the school for parents' project and to better counsel families),
- to change our 27-year-old car (if the previous 2 needs and ministry needs are covered)

Have a wonderful Christmas!

In His love,

Carlos & Tatiana

Carlos, Tatiana, Josué David & Ester Aimé
