

"Fear not, for behold, I bring you good news of great **JOY** that will be
for all the people."

- Luke 2:10

This is a time of **JOY!** We get so much **JOY** seeing the change in the lives of young people from middle and high school students, to young parents, to system-involved youth all over Denver!

Even as we look ahead to the New Year, we also celebrate all that has happened this past year:

- **Restarting City Life Ministry**, which has its focus on two neighborhoods in Aurora and West Denver.

- **Leasing space to open a Community Center** in the 80010 zip code, an Aurora community with the highest rates of gun violence. We believe that we can be 'hope on the ground' in that community.
- Our **Community Ministry team is coming alongside pregnant and parenting teens and the youth in the urban communities** (northwest Aurora and West Denver specifically).
- **Campus Life** ministry is growing, and just started ministry at **Thomas Jefferson High School in Denver.**
- **Juvenile Justice Ministry** continues the faithful work of going into detention facilities to bring hope and light into what can often be a very dark place.
- We now have a **full-time Mentoring Director** who is leading our effort to get a mentor for every young person who wants one!
- Our latest Impact Report shows that **93 students made a decision for Christ which is 3 times more than last year!**

We want to reach more youth through relational ministry, mentoring, therapeutic services and holistic resources. To do that we have a financial goal to **raise \$250,000** to support programming, staff and provide resources to youth, but to ultimately ***bring Christ more fully into the lives of youth all around Denver!***

As an added incentive we have a \$10,000 MATCH for NEW gifts given in the final weeks of December!

We'd love for you to consider a year-end gift and pray that your giving would give you **JOY!**
