

The Trumpet Call September 2023

"...IF THE TRUMPET DOES NOT SOUND A CLEAR CALL, WHO WILL GET READY FOR BATTLE?" 1 Corinthians 14:8

Dear friends and family,

It is Labor Day weekend and I have NO IDEA where the summer has gone. The summers always fly by, but my goodness this seems to be more than usual- - whatever that is anymore!

It is so comforting as followers of Jesus that we have an anchor.

"Because God wanted to make the unchanging nature of his purpose very clear to the heirs of what was promised, he confirmed it with an oath. God did this so that, by two unchangeable things in which it is impossible for God to lie, we who have fled to take care of the hope set before us may be greatly encouraged. We have this hope as an anchor for the soul, firm and secure. It enters the inner sanctuary behind the curtain, where our forerunner, Jesus, has entered on our behalf." Hebrews 6:17-20 NIV

"We have this hope as an anchor for the soul." and because of these amazing truths we can be "greatly encouraged." In these days of crazy uncertainty where there are so many around us living on shifting sand, it is SO good to know we have an anchor that holds and realities that are unchanging —no matter what. The anchor that holds gives us great hope and encouragement.

Jesus is there on our behalf. Jesus make all the difference as our High Priest, having made atonement forever for all of the ways we have compromised and fallen short of HIS perfect will and way.

No matter how time flies by or how shaky the environment becomes, HE and HIS ways and truths are unchanging and unshakeable. Thank you Lord.

For those that have missed it, yes we have move to Daniel, Wyoming. Our address is below:

Any of you are welcome any time. The header at the top of the letter is our view of the Wind River range. Our previous letter had our view of the Bridge Tetons- -even closer. There is much to do here and we would enjoy spending time with you.

We would love to talk about all the ways all of us have seen how HIS anchor holds and the joys of holding to HIS unchanging grace and truth. Because only together with you can we remain:

Standing in the gap, Tim, Heidi, Annaliesa, and Ty :)

We are so thankful for the privilege of doing what we do, the ministry we enjoy, and the amazing place we get to live. Truly HE has filled us with joy in His presence.

Global School of Missions and Spiritual Formation.

Alphonso Curem—one of three students we will highlight in this letter. Has known Pastor Alex for the past four years, Alphonso has a deep desire to teach and do missions. He is involved in a slum ministry and is seeking the Lord as to where HE would want him to go.

Austine Okoth—Austine is relatively new to Pastor Alex’s church. Austine is young and has come from a difficult background of rejection. He is now helping in the church ministries there in the slum. Alex sees keeping him under his wing for a while longer .

Joseph has known Pastor Alex for the past eight years. He has been a strategic part of the ministry and the church plant from the beginning. Alex has a wonderful track record of bringing in brothers like Joseph and growing them to the place where they sense God leading them into Church planting and future ministry.

It is amazing how we can be here in Wyoming, moving forward into what HE has planned for us, and yet have a foot strategically in the lives of people like these young men. Pastor Alex is a wonderful brother to partner with and the church there pal need only eight years ago is fully on board and evolved in this way of strategically mentoring the people God brings for ministry.
