WHY WE'RE LOOKING:

Mission Hills Church is excited to announce the launch of our fourth campus in **Castle Rock, Colorado!** We're currently assembling a staff team of high-capacity leaders who will work together to unleash missional followers of Jesus that will forever impact the people of this amazing city. Most of the team is already assembled and working towards the launch of the campus **March 1, 2024**, but we're still looking for one critical team member: a passionate Tech Coordinator who loves Jesus, loves curating an unforgettable weekend experience, and has the ability to build a great team who can serve with excellence in tech and production. Is that you?

If you think so, we want to meet you!

Here's a little about us: For the last several years, Mission Hills has been growing fast because of its unique ability to help seasoned believers and the unchurched alike understand the Bible and take next steps of becoming like Jesus and joining him on mission. We go deep, we reach wide and we're all about building a church that is "Real. Messy. New." We have regularly been featured (most recently in 2023) in Outreach Magazine's 100 Fastest Growing Churches in America.

By the way, Castle Rock is a super cool town and it's growing like crazy! It was Colorado's fastest growing community in 2022 and it's home to lots of young families. **It really is the place to be!**
