HIGHLIGHTS: Sto Stopni Conference!!

Our biggest event of the year is this weekend and we need your prayers!!

This Friday, over 150 youth leaders will gather together and spend the weekend confirming and clarifying their calling. We're going to look to EDEN (the theme of the conference this year) as the place where God first called humanity: to be with Him, to tend the Garden, and to not do it alone. We'll follow that thread through the Fall and Jesus' redemption, and then we'll focus in on the specific calling of what kind of "gardeners" we are called to be. Lastly, we'll look at John 15 to reorient and remember that the primary calling and only route for all Christians is to abide in Christ.

(Shout out to Becca's uncle, Greg, for helping brainstorm and craft the bones of these sessions!)

Between main sessions, workshops, micro mentoring sessions, and a ministry fair, we have over 50 people preparing to share something with other leaders this weekend. We have so many voices contributing to equipping leaders at this conference. It's incredible!! But it's also crazy complicated trying to get all of these things scheduled and set up for success, which is largely my job this week. Each of these pieces has the potential to be really significant for leaders, so they need to be covered in prayer. We need you to pray! So, if I may, let me issue a challenge:

Choose one person below to pray for throughout this week. Then, at some point during the weekend, tell them (by sending us a message which we'll pass on) you have been and are praying for them!

Here are the people who need your prayers:

Main Speakers: Michał (Friday), Damian (Sat Morning), Jacob (Sat Evening), Dawid (Sunday).

Workshop Leaders (All on Saturday): Rob, Mark, Dan, Mateusz, Jacob, Laura, Zbyszek, Caleb, Łukasz, Salomon, Monika, Sean.

MicroMentors (All weekend): Adam, Ola, Juti, Filip, Dawid, Bartek T, Bartek W, Sara, Werka, Natalia, Patryk, Radek, Kasia, Zuza.

Top: Clara enjoying the best life a 2-year-old can have! Snacks on a walk, and mug full of frothed milk!

Bottom: Celebrating "Fat Thursday" with delicious donuts! And Nora and I and hanging out with our friends Dominika and baby Leon!

Would you also please pray for us Hashes this weekend?

For Jacob: Besides teaching a session and a workshop, I'm running this whole conference (through and alongside my capable team!). Would you please pray that in the midst of all the things to do and fires to put out, my eyes and ears would be open to who the Spirit has for me?

For Becca: One of the girls from my old youth group is studying in Berlin and is going to come spend the weekend with us! I'm so excited to spend time with her and it's always helpful to have an extra set of hands! Pray for our time together, for me and the girls, and that the beginning of a cold I've got doesn't get any worse!!

Much love,

Becca, Jacob, Clara, & Nora
