Dear Friends and Family,

"The LORD is my rock, my fortress and deliverer; my God is my rock, in whom I take refuge, my shield and the horn of my salvation, my stronghold." Psalm 18:2 NIV

This passage in Psalm 18 is very appropriate for any time in our lives, but in these days it seems especially appropriate and needful. Obviously there have been many times of upheaval in our lives, and we have all seen and been exposed to the multiplicity of struggles we face in this world. I am confident that there are many who have gone before us in this life who could point to numerous times of difficulty, WW1, WW2 the great Depression, the Dust Bowl. There are many stories here in our little corner of the world of harsh winters and people starving to death, or freezing to death.

Regardless of the many ways that suffering and difficulty is a part of the human existence We are forever grateful that we have One who is bigger than we are who is in fact with us. HE goes before us and HIS perspective is so much more clear than ours is.

*"From the ends of the earth I call to you,
I call as my heart grows faint;
lead me to the rock that is higher than I." Psalm 61:2 NIV*

We pray that no matter what these days hold for each of us, that we will be graced of HIM to cling to THE ROCK of our salvation and to be steadfast in our pursuit of the ROCK that is higher than I. That we would be blessed with HIS vantage point and HIS perspective that is higher than I. Thank you for walking this amazing journey with us.

*Life has a way of testing our anchors
and tempting us to drift. Nevertheless
if our anchors are correctly placed in
the rock of our redeemer, they will hold
no matter the force of the wind, the strength
of the tide, or the height of the waves.*

When our anchor is in the LORD Jesus Christ- -the ROCK, HE will see to it that it holds, no matter what.

Standing in the gap, Tim, Heidi, Annaliesa, and Ty :)

Family

We enjoyed and Wonderful Christmas and New year season with Annaliesa home. As well as fun FaceTimes with Elya, Cam and grandies.

Elya, Tim, Annaliesa and Ty all had birthdays in January and February. We are really looking much forward to once again having Elya and family with us this summer in Wyoming, and loving the "wide open spaces." :)

It was great to have Annaliesa here the end of February and first week of March- -we got a lot done on the barn and house.

for a while now Ty has been wanting a white Cowboy hat just like his favorite country singer Allen Jackson. Yes, much of this Winter it ws still a little cool at the kitchen table. We have since taken care of most of the issues!

We are so thankful for the privilege of doing what we do, the ministry we enjoy, and the amazing place we get to live. Truly HE has filled us with joy in His presence. A great deal has happened since the last time we wrote to you as it relates to the Global School of Missions and Spiritual Formation. Not so much concerning the school but the pastoral staff of the church has been under severe attack. By the grace of God alone they have emerged into a better place and stronger and more focused on the reality that what they are doing obviously matters or the enemy wouldn't want so badly to see it destroyed!
