## **"The Source - leave the past, start breathing"**

### **HAPPENING THIS WEEKEND!**

As I write this update, I hear voices of leaders praying prayers of forgiving their parents for pain they caused them in the past ... What a sweet fragrance that is the their Father as He sees them take a huge step towards more freedom!

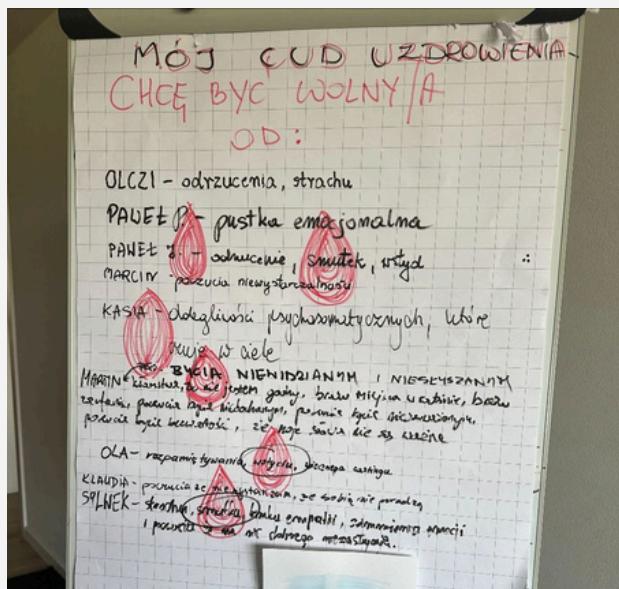

Leaders of the young generation know how desperately young people need healing! They know that apart from **experiencing** their Heavenly Father's healing touch and learn His ways of healing, the darkness of their brokenness will swallow them. This is why we gathered 10 leaders to lead them through their own process of healing **in order to equip** them to be more skilled companions of the young generation's journey from pain to freedom.

Meet this special group that makes me so happy! Seeing what God is doing in all of them is truly a sweet fragrance of heaven - caring each others's burdens, crying together, laughing loud, worshipping in unity!

## PRAY FOR MIRACLES OF HEALING

Each one of them wrote on a white board what they want Jesus to free them from:

OLCZI - fear of rejection

PAWEŁ - emotional void

PAWEŁ - feeling of abandonment

MARCIN - feeling of insignificance

KASIA - psychosematic problems

MARTIN - feeling of being unseen and unheard

OLA - feeling of shame

KLAUDIA - feeling of being not enough

SYLWEK - sadness and emotional numbness

Imagine what God could do with these leaders if these things were not getting in a way!

Would you take a minute now to pray for healing in these areas for each of them by name?

## Join us equipping more leaders?

We are equipping here 10 leaders but our dream this year is to lead 40 leaders to deeper healing and freedom so they can do the same with the young generation. We need to raise \$9000 for training in 2026.

Would you like to be part of this movement of bringing healing to the young generation?
