

Hello friends,

I'm back from my sabbatical, and I wanted to begin by saying thank you. Thank you for praying for me and my family, supporting North Littleton Promise, and encouraging our staff during my time away. I've loved hearing stories of camps, service projects, and coffee meetings with Kylie. I am deeply grateful to be part of an organization that values healthy leadership enough to create space for rest, reflection, and renewal.

My sabbatical was filled with many gifts. I celebrated our oldest daughter Maya's birthday with a special mother-daughter weekend, spent time in the garden starting flowers and vegetables from seed for both my home and the NLP garden, and enjoyed the simple pleasure of reading books just for fun. Most importantly, I had space to grieve the loss of my mom, who passed away in February.

To end the sabbatical, our family took a road trip through southwest Colorado, and Maya was able to fly in and join us. We hiked, rode bikes, played pickleball, explored the Black Canyon of the Gunnison, rode a gondola, and soaked in the Ouray Hot Springs. It was a wonderful way to close this season and return ready for what lies ahead.

Meanwhile, thanks to our incredible staff team, summer is already in full swing at North Littleton Promise. Children, teens, and parents are already gathering to learn, grow, build friendships, and experience the love of Christ through our partner's summer camps. While I was away, the work continued because of faithful staff, volunteers, donors, churches, and community partners like you.

As I step back into my role, **I am reminded that North Littleton Promise is much bigger than any one person.** It is a community of people who faithfully invest their time, resources, prayers, and gifts so that immigrant families can thrive. Thank you for being part of that story.

Below you'll find a few ways you, your church or organization, or your friends can partner with us this summer and into the fall. **Whether it's sharing a job opening, serving at a special event, providing food for our kids, or praying for our staff and families, every contribution helps create a place where children and families can belong and flourish.**

Thank you for your friendship and partnership. It is a joy to serve Littleton alongside you!

With gratitude,

Maureen Shannon

Prayer Requests

Would you join us in praying for the ministry of NLP this month?

Parents & Families

- Pray that parents in our community would be ministered to by the love of God and experience His peace, encouragement, and care.
- Pray for the family activities planned this summer, that mothers and fathers would be able to participate alongside their children and build meaningful connections.
- Pray that families in our community would find opportunities to get connected and become part of welcoming church communities where they can grow in faith and fellowship.

Students

- Pray that students would continue to experience growth, joy, and meaningful relationships throughout the summer.
- Pray against boredom, loneliness, and negative influences. Pray that this summer our students would spend their time in safe, healthy, and life-giving ways.

- Pray for our elementary and middle school students who will attend summer program in July. Pray for friendship and belonging among their peers and connections with our summer staff.

General

- Pray for our staff, volunteers, and summer program leaders as they prepare for a busy and impactful summer serving students and families.
- Praise God that we have hired a Summer Adventure Days Director! We are thankful for His provision and look forward to the impact this role will have on our summer programming.
